However, it is possible that ingredient changes and substitutions may occur due to the differences in regional suppliers, recipe revisions, preparation techniques and/or the season of the year. Certain menu items may vary from restaurant to restaurant and may not be available at all locations. We highly recommend that our guests with special dietary needs consult with a restaurant manager prior to placing an order to ensure the posted information is accurate and represents the menu items sold at that particular location. Limited time offers, test products or regional items have not been included in the menus.
